## Company Profile

**DENTELO SURGICAL INTERNATIONAL** has been manufacturing and supplying the Beauty instruments, Dental instruments, Surgical and other Medical instruments all over the world since 1996.

### **ADDITIONALLY**

For more than 25 years, **DENTELO SURGICAL INTERNATIONAL** customers have been benefitting from our outstanding industry knowledge and our ability to provide high-quality dental and surgical instruments. We bring years of industry experience to each customer and constantly strives to meet our goal of 100% customer satisfaction. We believe in perfection, so all the instruments which we manufacture are sent to different well-reputed Surgeons worldwide. These surgeons test instruments in their clinics and their suggestions are seriously considered to make certain improvements in instruments.

**DENTELO SURGICAL INTERNATIONAL** always provide our customers with a quote on instruments as per their required specifications. We not only dispatch customer's order within the agreed time but also facilitate our regular customers to meet their urgent orders by maintaining stock for selective regular instruments in our warehouses and factory. Sample orders are accepted from Potential customers, so they can evaluate the quality of our instruments before they place bulk orders. Being a manufacturer, our prices are very competitive & affordable for all type of customers. Regarding Packaging & marking of instruments, we offer branded services to all customers and provide their brand mark or their company logo on products.
